July 23, 2006 - San Francisco, California. AEI Press Release 2006/01.

**AMROHA Engineering Inc.** announces development of a commercial product based on Shams Naqvi's patent (US Patent No. 6948831 "Recessed light assembly adapted for use with motion detector").

Amroha Engineering Inc., an original equipment manufacturer (OEM), a system integrator and a distributor of security products, announced today that it has acquired rights from Shams Naqvi to commercially manufacture and market products based on Mr. Naqvi's patent.

AEI expects to launch the product in fourth quarter of year 2006. The yet unnamed product is designed to enhance security at commercial buildings and private homes.

AEI is in discussion with a contract manufacturer in Shenzhen, China for commercial production of its design.

About Amroha Engineering Inc.

AEI, incorporated in 1993, is a systems engineering and integration firm, engaged as an ODM/OEM manufacturer of industrial computers and servers, and as a system integrator providing enterprise-level solutions and products for the entertainment, financial, medical, and security verticals. AEI's diverse solutions' clients include a partnership of WagerWorks Inc. and MGM-Mirage, Alliance Home Healthcare Inc., and Pakistan Airport Security Force.
